## Mattapoisett to Hold Veterans Day Exercises

The Florence Eastman Post 280 of the American Legion of Mattapoisett will be sponsoring their annual Veterans Day Exercises on Thursday, November 11 in the Old Hammondtown School Auditorium beginning at 11:00 am. This year's principal speaker will be Major Dallas L. Eubanks, United States Army, of the Newport Naval War College.

Major Eubanks is a native of Alabama and is the son of Captain Richard D. Eubanks, a former Green Beret, and Penelope Miller Eubanks. After moving to Colorado at age 12, Major Eubanks attended Green Mountain High School in Lakewood, CO, graduating with honors in 1983. With his scholastic, athletic and community credentials, Major Eubanks was awarded a four-year Army ROTC scholarship and attended Arizona State University in the Fall of 1983. Major Eubanks entered active duty in 1988 following his commissioning as a Distinguished Military Graduate from Arizona State University in May 1987. He holds a Bachelor of Science in Journalism.

Currently a student at the Naval War College in Newport, RI, Major Eubanks has also served as Platoon Leader and staff officer in Germany, commanded two field artillery batteries at Fort Hood, Texas, and served as a Public Affairs Detachment Commander at Fort Stewart, Georgia, with the Third Infantry Division (Mechanized). He was promoted early to Major in October 1998, recognized by the promotion board in the top seven percent of his peers. Major Eubanks has deployed around the world during his eleven-year career, including a combat deployment to Saudi Arabia/Iraq/Kuwait in 1991, a deployment to Bosnia and Herzegovina in 1998 during Operation Joint Guard, and Egypt for Exercise Bright Star in 1997.

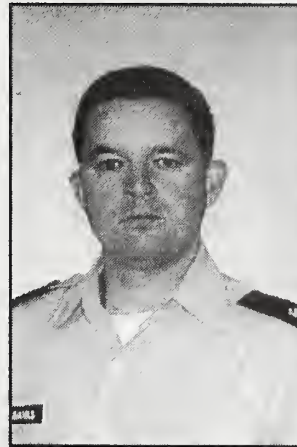

Major Eubanks' decorations include the Bronze Star, two Meritorious Service Medals, Army Commendation Medal, Army Achievement Medal, Armed Forces Service Medal, and the NATO Medal. Major Eubanks was also permanently awarded the Valorous Unit Award as a soldier with Second Armored Cavalry Regiment during Operations Desert Shield and Desert Storm, and the Joint Meritorious Unit Award while serving with Supreme Headquarters Allied Powers Europe during Operation Joint Guard.

Major Eubanks is married to the former Lisa Rae Steiner of Canton, Ohio, and has one daughter, Hannah, age 3.

The program of events for Thursday, November 11 will include: Posting of the Colors (Mattapoisett Police Department); Opening Remarks/Pledge of Allegiance (John DeCosta, Post Commander); Prayer (Michael Lamoureux, Post Chaplain); Old Hammondtown March (Old Hammondtown School Band); Mattapoisett Board of Selectmen (Barry Denham, Selectman and Acting Veterans Agent); America, the Beautiful (Old Hammondtown

School Chorus); America/My Country Tis of Thee (Old Hammondtown School Band); God Bless America (Old Hammondtown School Chorus); Principal Speaker (Major Dallas L. Eubanks, Newport Naval War College); The Star Spangled Banner (Old Hammondtown School Band and Chorus); Retiring of the Colors (Mattapoisett Police Department).

Special thanks are extended to Major Dallas Eubanks, Stan Ellis and the Old Hammondtown Band, Paula Roy and the Old Hammondtown School Chorus, Mattapoisett Board of Selectmen, Mattapoisett Police Color Guard, Members of the Mattapoisett Boy Scouts and Girl Scouts, and the Veterans Office in Mattapoisett for organizing the ceremony.

*On the cover: Mattapoisett's iconic seahorse will shortly be leaving for a brief period of hibernation during the winter months where it will undergo a much-needed facelift. Residents may find it difficult to give directions without referring to this tell-tale landmark. The new and improved seahorse will be dedicated and unveiled as part of a new public park at the corner of North Street and Route 6 under the auspices of the Mattapoisett Land Trust. ### Mattapoisett Selectmen's Meeting

*November 2, 1999*

**By Kenneth J. Souza**

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, November 2 at 7:00 pm by Acting Chairman Barry Denham. Also present were Selectman Ray Andrews and Executive Secretary Carol Adams. Selectman Paul Lambalot informed the board that he would be late for the meeting.

The board agreed to hold approval of the minutes from the October 26 meeting pending Selectman Lambalot's input and then met with Susan Brauner, Assistant Director of the Wareham Community Development Authority (WCDA) at 7:05 pm. Ms. Brauner was present to explain Mattapoisett's participation in her department's Regional Housing Assistance Program. The program is now offered to residents of Marion, Rochester and Bourne (Buzzards Bay) and provides direct low-interest home rehabilitation loans based on annual family income. Ms. Brauner wanted to know if Mattapoisett is also interested in becoming a member.

Income eligibility requirements for residents of Mattapoisett would range from a maximum of \$26,000 for a family of one to \$49,000 for a family of eight. The loans may be used to fund plumbing, wiring, carpentry, lead paint removal, insulation, storm windows, caulking, heating, and other repairs needed to bring property to

"We're offering a really good program that has done well in Wareham," Ms. Brauner said. "This is really a pilot regional program ... next year we go statewide." The board unanimously voted to endorse Mattapoisett's participation in the WCDA Regional Housing Assistance Program. Those interested in more information about the program should call Ms. Brauner at 295-9344.

The board then reviewed the proposed license and fee increases as discussed at a previous meeting. They again suggested tabling a decision on the matter since

Selectman Lambalot had reservations about any substantial fee hikes. Resident John Atkinson questioned the need to increase fees at this point other than the fact that they hadn't been raised in some time according to press reports. "Is that the only reason for increasing them?" he asked. "Shouldn't this go before Town Meeting?"

Selectman Denham assured Mr. Atkinson that the ability to set fees lies solely with the Board of Selectmen as licensing authority. He also stressed that the Town Hall needs to take in some money to support public services.

Under incoming correspondence for the week, the board received a letter from Police Chief James F. Moran advising that he has appointed Officer Mitchell Suzan as the department's School Resource Officer. The position is funded over a three-year period by a \$60,000 COP's Federal Grant. The money will be used to replace Officer Suzan on his normal shift while he is on duty at the schools.

Water/Sewer Superintendent William Nicholson sent notification that the water main flushing program will be conducted from November 8 through November 24 in Mattapoisett. Flushing will begin on November 8 from 8:00 pm to 2:00 am, and will continue November 9 through 24 each day from 9:00 am until 4:30 pm. Mr. Schmitt recommended meeting either at the Wareham Town Hall or the Fourth District Court in West Wareham. A copy of this item was forwarded to Police Chief James Moran.

Ms. Adams noted that the Board of Appeals is currently seeking two persons to fill vacancies as alternate members on the BOA. Interested residents should submit letters to the Board of Selectmen, c/o Mattapoisett Town Hall.

At 7:45 pm the board voted to enter into Executive Session with Town Counsel Thomas Crotty and members of the Mattapoisett Police Brotherhood under Exception 3 of the Open Meeting Law to discuss ongoing police contract negotiations. They would thereafter adjourn for the evening.

### Marion Selectmen's Meeting

*November 2, 1999*

**By Ilana L. Mackin**

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, November 2 at 7:00 pm by Chairman Loretta Schaefer. Also present were Selectman Albert E. Winters, Selectman Jonathan "Jody" Dickerson, Town Administrator Ray Pickles, and Secretary Helene Craver.

After the signing of the payroll warrant #18 and #18A and accounts payable warrant #19, the minutes of the October 26 meeting were unanimously approved by the board.

At 7:05 pm, a Public Hearing was held in regards to Sunday package store openings for November 21 and 28, and December 5, 12, 19 and 26. "We've done this in the past and I believe we have not had any problems that I am aware of," said Selectman Winters. Selectman Dickerson agreed and commented that this will be the second or third time it has been done. The motion to approve the holiday openings was unanimously granted with no comments from the public.

Chairman Schaefer proceeded to review the incoming correspondence for the week starting with a letter from Lee Hayes and Ted Pratt regarding

recommendations on the town's GIS needs assessment and implementation plan. Mr. Hayes and Mr. Pratt have recommended that the board approve their selection of Applied Geographics, Inc. (AGI) to conduct the GIS assessment/plan as they have "in depth experience with similar projects in many towns similar to Marion," according to the letter.

The board was also notified that William Koss will be taking over for Mr. Pratt on the management of this project with Mr. Hayes. According to Chairman Schaefer's review of the information submitted, the cost of the contract will be \$7,900 and approximately \$5,500 of it will come from grant money. With a unanimous decision, Selectman Winters motioned to award the contract to AGI as recommended.

A letter from Joseph and Barbara Marotta of Delano Road urgently requested the board consider putting in another light on Delano Road to help prevent recent vandalism that has occurred to their property. Chairman Schaefer asked Mr. Pickles to discuss this with the Police Chief. "We do have money in the Street Lighting Budget to put on more light in there," Mr. Pickles said. "The street is dark and it will just be a matter of which pole to put the light on."

A letter of thanks was received from Rosemary Phillips regarding the help she received in completing the four-year project of cutting down trees that were a hazard to motorists on Delano Road. "Clearly it has made a big difference," she said.

Harry J. Schmitt, Jr., public prosecutor has requested a meeting with the five police chiefs of Carver, Marion, Mattapoisett, Rochester and Wareham for which he has represented in the public prosecutor program. The meeting will be to discuss what will happen with the program in the Fourth District Court for cases in the wake of his formal retirement to take place on January 1, 2000.

The Division of Marine Fisheries has determined that a portion of the shellfish growing area in Sippican Harbor (BB:32) has been classified as "Conditionally Approved" and now meets established criteria for the harvesting of shellfish. The "Open To Shellfishing" status runs November 1, 1999 through May 31, 2000.

At 7:10 pm, Chairman Schaefer announced an appointment for a public hearing with Burr Brothers

## Animal Advice

**Jay Gould, DVM**

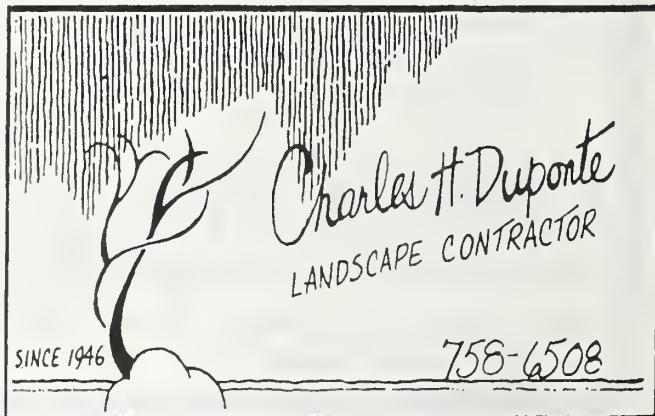

*My cat cries for food and then when I open a new can, she sniffs it and walks away. She drives me crazy, what can I do?*

Cats that eat canned food develop finicky eating habits and produce much more tartar on their back teeth than cats that eat dry food alone. Make the dry food available and try phasing out the canned food over a few weeks.

*I'm afraid that my male cat will develop a urinary obstruction if I feed him dry food. Are there any dry foods that are safe for male cats?*

Generally speaking premium cat foods such as Iams and Science Diet are excellent dry cat foods that are readily devoured by most cats. There are also a number of urinary formula cat foods that are sold in groceries that may help prevent urinary obstructions.

Conservation Committee, the Planning Board and with the approval of the Board of Selectmen they will meet November 4 with the Zoning Board of Appeals (ZBA) regarding the boat storage facility.

The major concern of the plan according to the Selectman Winters is the drainage system and the threat of chemicals spilling into the water supply. Mr. Oaks, backed by Selectman Winters, confirmed that a drainage plan was reviewed independently and approved by the outside consultant to keep drainage on the property with an outside detention basin with reduced peak rates of runoff into the existing wetlands as it currently does in that area. "There will be no increased storm drainage," assured Mr. Oaks

With the understanding there will be no storage of any type of fuel or chemical tanks on the site, aside from standard limited quantities of paints and solvents within the buildings only, there would be no materials that would pose any type of danger to the well water.

According to Mr. Pickles, there will be a special permit placed to limit solvents to a minimum size container, storage and removal, with which Burr Brothers should be in compliance. In accordance with their existing policy to all tenants, there is a minimum of service unit maintenance to be preformed at the storage facility with proper container disposal.

Based on the information presented to the board by Mr. Oaks, the Selectmen could find no reason to deny the special permit for construction of the storage facility in the water supply protection district, pending the approval of the boat storage facility by the ZBA.

In opposition to the placement of the entrance driveway only, resident Ann Beaulieu voiced concerns regarding buffer zone tree removal and traffic safety issues on Benson Brook Road, and requested that the board consider the design plan call for an entrance on Route 6 rather than Benson Brook Road. Selectman Dickerson moved to take this request under advisement until next week so that Mr. Pickles could investigate further the issue of lowering the speed limit through the Police Department and the state in that area so that the access road would provide a safer route for large trucks to enter and exit. This issue, however, did not delay the

approval of the special construction permit in the water supply protection district, and will be addressed as a separate issue in the design plans.

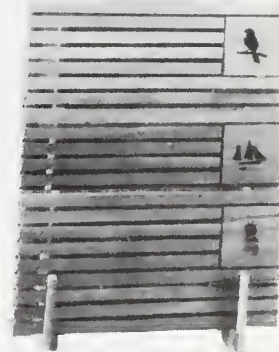

In other matters, Mr. Pickles informed the board that Sippican School has asked him to investigate the possibility of adding more parking closer to the school building. Mr. Pickles indicated to the board that the fences at the back field can be re-arranged in order to give space for 10 to 12 more cars for teachers with out causing plowing problems or damage.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 7:35 pm.

## Rochester Selectmen's Meeting

November 1, 1999

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, November 1 at 7:00 pm by Chairman Richard Cutler. Also present were Selectman Naida Parker, Town Administrator James Huntoon, and Administrative Assistant Veronica Lafreniere. Selectman Patricia Ryan was not present for the meeting.

The board agreed to hold the approval of the minutes of the October 25 meeting pending Selectman Ryan's return, and then unanimously voted to sign and approve the naming of a new street — Holly Hill Lane — as per a recommendation from the Planning Board. They also approved a replacement Class II license form Tom Strutski, owner of Center Garage, Inc.

Under the Town Administrator's report, Mr. Huntoon advised that they are ready to enter into an agreement with Dyer-Brown Associates for the Police/Communications Building project, and Town Counsel is

currently reviewing the specifics of that contract. Mr. Huntoon also added that the Town Hall voice mail system is a "work-in-progress," and should be in full working order soon.

Chairman Cutler added that he enjoyed attending the town's Annual Halloween Parade on Sunday, October 31, and it was fun picking out the best costumes.

At 7:15 pm the board met with candidates for an open position on the Planning Board with representatives from said board. The appointment would be made to fill the unexpired term through the April, 2000 election and would be selected via majority vote of both the Board of Selectmen and Planning Board. Chairman Cutler said there were four candidates who expressed interest in the vacancy.

"I think we have four qualified candidates, but I'd like to see someone who hasn't been involved before so they can have a taste of the process," Chairman Cutler said.

Three of the four candidates were present for the meeting.

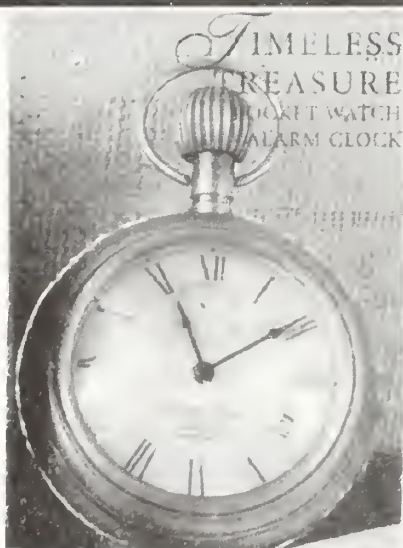

Don Jones said he moved to Rochester from New Hampshire because the rural town reminded him of that state. He's been a resident for the past three years and would like to get involved with the town via the Planning Board.

Otto Solberg is not officially a Rochester resident yet, but he is building a home in town and will be moving from Wareham shortly. He has a great deal of experience as a real estate title examiner, which he feels could benefit the Planning Board.

Ray Melanson has only been a Rochester resident since February, but he originally lived in Fairhaven for eleven years. He's anxious to get involved and doesn't want to see the rapid development that's overtaken Fairhaven happen in Rochester.

Planning Board member Georgia Chamberlain said she felt the board needed "a breath of fresh air," and she would like to recommend Mr. Solberg due to his experience with the Registry of Deeds. But Chairman Cutler had reservations about appointing Mr. Solberg since he wasn't yet a resident of Rochester. "I'd like to recommend Mr. Solberg," he said, "but I'd feel better if

(he) were living in town. Someone could challenge (his) appointment to the board."

Selectman Parker seemed to favor Mr. Melanson, since he previously applied for a vacancy on the Planning Board, but Planning Board Chairman Bob Cummings moved to appoint Mr. Jones based on his enthusiasm and eagerness to learn about the Planning Board at previous meetings. Mr. Jones' appointment was approved via majority vote, 4-to-1, with Ms. Chamberlain in sole opposition, adding that she'd prefer Mr. Solberg despite his residential status.

At 7:40 pm the board met with architect Charlie VanVoorhis to review future plans for the Town Hall renovation project. Mr. VanVoorhis said he's ready to begin the next phase of the project, but he'd like to get input from all the department heads before proceeding.

"Over the next two weeks, I'd like to go back and review the project spaces you've allocated," Mr. VanVoorhis said. "The design has yet to be refined ... I want to go over it with all the department heads and get their final input, then prepare a schematic design over the next month. We also need to discuss phasing for the project — are we going to have to vacate the building during construction? We should be done with the design phase by the end of January and be ready to go out to bid before Town Meeting."

Chairman Cutler thought Mr. VanVoorhis' plan of attack made sense, but he was cautious about proceeding with the bidding process before Town Meeting, given the other capital projects which are pending like the Senior Center and Police/Communications Building. "I'd like to move forward with your schedule, keeping in mind that we may not want to go for the money at the Annual Town Meeting," he said. "We should be planning on the Council on Aging moving into their own building before we renovate Town Hall."

The board agreed to meet with Mr. VanVoorhis every two weeks through the end of the year to keep abreast of the design process. They agreed to meet on Tuesday, November 16 at 7:00 pm and again on November 30 and December 14.

Under incoming correspondence for the week, the board received:

- Notice from the Executive Office of Environmental Affairs (EOEA) that Community Preservation Day will be celebrated on Wednesday, December 8 in the Great Hall of the State House from 11:30 am to 2:00 pm.

Appeals (ZBA) to appoint Richard Nunes as their representative to the Cell Tower Siting Committee. The board unanimously voted to appoint Mr. Nunes. They also unanimously voted to appoint Mark Wellington as the Cell Tower Siting Committee Chairman for organizational purposes.

- Request from ORR School Superintendent Betty Quinn to dispose of old textbooks from Memorial School upon a recommendation from the Rochester School Committee. The books will be donated to schools in North Carolina recently hit by the hurricanes. The board unanimously voted to approve the request to dispose of said textbooks.

- Letter and Resolution from the City of Lowell, MA, unanimously opposing the tax assessments to residents to fund the Massachusetts Bay Transportation Authority (MBTA). "The taxpayers of the City of Lowell would be compelled to pay for services which they would neither receive nor utilize and be deprived of funds required for other municipal services," the resolution stated.

"I think we should issue a similar letter, expressing our strong opposition," Chairman Cutler said. "The fact that we're being assessed for services we don't benefit from is incomprehensible." The board unanimously voted to issue a similar proclamation based on the one from Lowell.

• Response from the State Elections Division regarding the town's request to move the polling location from Town Hall to the First Congregational Church. The relocation has been approved and the town is required to send written notification of said change to all registered voters within 30 days of the next election.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:40 pm.

### Letters to the Editor

To the Editor:

Attending Marion's candidates' night last April, I listened to the candidates and thought they were all running for a position on the Planning Board. Some, of course, were candidates for the Planning Board. "Control residential growth" was the operational phrase that night and the candidates, if elected, were going to work to control growth. As the current Chairman of the (Marion) Planning Board, I would like to bring the residents of Marion up-to-date on what your members are doing to control growth.

In response to the citizens' wishes, in 1997 the board began an initiative to identify methods to control residential growth. Members recognized that uncontrolled growth could overburden the town's infrastructure resulting in large

expenditure of funds over a short time period to remedy this problem. The members recognized the control of the rate of growth would allow for a systematic and cost-effective plan for expanding the infrastructure. The members also recognized that a cap on the total number of residential houses is required to maintain the small town character and minimize uncontrollable changes due to growth, e.g. widening of Route 105.

In 1998, the members held two public meetings to sample citizens' opinions. Results showed the citizens wanted the rate of growth controlled and a cap on the total number of homes to be built. These opinions agreed with the members' conclusions.

Subsequent to this year's town election, the members agreed to hold a Special Town Meeting this fall to present By-Laws for residential growth control. The members prepared a list of items for the Special Town Meeting, prioritized them and prepared a schedule for each item. It was decided to divide the items into groups and plan for additional Special Town Meetings over the next two to three years. The most critical issues are scheduled for this year, and they are: (1) residential zoning, (2) residential zoning boundaries, (3) frontage and setbacks, (4) abandoned ways and (5) apartments. Subsequent meetings will consider (1) reformatting the By-Laws and the Subdivision Rules and Regulations, (2) cluster zoning, (3) velocity zoning, (4) revision of the Town Master Plan and (5) items not completed at this year's Special Town Meeting.

Sincerely,

William Koss, Chairman

To the Editor:

Once again the Mattapoisett Police Halloween Parade was a great success. We had the weather and super costumes and plenty of goodies and great prizes. None of this could happen without the help and support of a great many people and donations.

The donations we received from "you," the citizens of Mattapoisett, give us the support we need. I would like to thank all the Police Department members who showed up to help, the Rescue Squad, the Highway Department, Rick Leblanc for the music, the ladies who passed out the bags of candy, the youths who played during the parade, and the judges who had a real tough job of picking out the winners for the prizes — thanks all of you.

A special thanks must go to Lt. Ed Pina and Ken Pacheco. Lt. Pina spent countless hours preparing this event

To the Editor:

Monday, October 25 will be remembered as a significant day in the history of Marion. On this day the voters took a major step in controlling residential growth. The Planning Board members want to thank the voters who attended and voted at the Special Town Meeting.

Your board worked long and hard to craft these articles and your ringing approval makes it all worthwhile. We now have a clear direction to follow in the coming months and, as you know, this was step two in an ongoing process.

The Planning Board will continue to press ahead with our agenda to further restrict residential growth in Marion. Once again, thank you and we will be back next year with new initiatives for you to consider.

Sincerely,

William Koss, Chairman Marion Planning Board

English dialect of the 17th Century. One program is designed for children, the other for adults. All Sippican Historical Society Programs are open to the public and free-of-charge. Please join them for the following:

- "A Child's Life in Plimoth" - Friday, November 19 at 4:00 pm in St. Gabriel's Parish Hall - Designed specifically for children ages 5 to 11, this program is taught by a museum teacher from Plimoth Plantation who portrays an actual resident of 1627 Plymouth Colony. The museum teacher wears an authentic, reproduction costume and uses her own character's unique story to frame her one-hour program. For this hour, the year is 1627, and the museum teacher speaks with the appropriate dialect. In addition, the museum teacher brings a basket of reproduction artifacts to illustrate her story and to share with the audience. This program is intended for a family audience and is appropriate for all children five years and older. Please note that young children *must* be accompanied by an adult. A limit of 60 people will be observed.

- "Horticulture in the Seventeenth Century" - Tuesday, November 30 at 7:30 pm in St. Gabriel's Parish Hall - Plimoth Plantation Staff Horticulturalist John Forti will present an hour-long program focusing on horticulture in 17th century Plymouth. For the program, Mr. Forti assumes the role of a physician residing in 1627 Plymouth Colony. Topics of discussion include native plants and gardening practices, as well as herbalism and medicinal uses of plants. Don't miss this dynamic, knowledgeable speaker!

Celebrate a Life: An Evening with Jane Yolen." This program is being offered as a special memorial tribute to Seth Daigle, the 17-year-old boy who was killed in an automobile accident earlier this year. Seth was particularly fond of Jane Yolen's books.

Jane Yolen has written over 125 books for children, young adults, and adults. She is a distinguished storyteller, poet and editor. She is best known for her literary folk tales, fairy tales, and fantasy novels. She has received many book awards including the Jewish Book Award for *The Devil's Arithmetic* and a Caldecott Medal for *Owl Moon*. Dragons frequently serve as symbols and metaphors in Yolen's stories. This is true in her critically-acclaimed *Pit Dragon* fantasy trilogy for young adults. Seth Daigle enjoyed this series.

Seating is limited to 100 persons, therefore free tickets to the program must be picked up in advance at the Circulation Desk of The Millicent Library. The program is recommended for elementary ages and up.

### BUYERS ARE NOT NAIVE

Your home represents an important financial asset. When the time comes to sell, put yourself in the buyer's shoes. He's in the same financial boat and will want the most house he can get for the money. Frankly, the stakes are too high to play the do-it-yourself game in this monetary arena. The best advice is - let an expert sell it.

"But why a Realtor, when I can sell it myself and save the commission?" you may ask. "Right?" .... **WRONG!**

The average buyer is far from naive. Before you even

start serious negotiations, he'll expect you to deduct the Broker's commission for HIS benefit. Then you're on your own in the critical areas of financing, mortgages, contracts and deeds, etc. Your home will be exposed to any and all unaccompanied strangers who knock.

A Realtor will save you these headaches and dangers. He'll protect your interest and sell your house at the best price. Statistics have proven this time and again.

## "Diary of Anne Frank" at ORR

Bring your entire family to see "The Diary of Anne Frank" at Old Rochester Regional High School on Thursday, Friday, and Saturday, November 18, 19 and 20. The evening performance begins at 8:00 pm and the Saturday matinee begins at 2:00 pm in the high school's Gilbert D. Bristol Auditorium, Route 6 in Mattapoisett. Tickets are \$8 for adults, and \$6 for students and senior citizens. Tickets may be purchased at the door, or in advance at the Marion General Store, Seaport Village Ice Cream and Coffee Shop in Mattapoisett, and Lloyd's Market and Movies & More in Rochester.

"The Diary of Anne Frank" is a moving presentation of a family put to the ultimate test: survival in time of war. Based on an actual diary written by 13-year-old Anne during World War II, the show follows the Frank family into hiding in an attic, and depicts the highs and lows of the two-and-a-half years that follow. Directed by Paul Sardinha and featuring Andrea Caron in the title role on stage, with voice-overs by Danielle Anzaldi, the show is not a depressing tale of war, but an uplifting demonstration of the power of love. ### Marion Art Center

#### *Death Defying Acts*

The Marion Art Center's fall production opens on Friday, November 12 at 8:00 pm and features the very contemporary comedy "Death Defying Acts" by Woody Allen, Elaine May, and David Mamet. If life is a circus, as the well-known authors would appear to agree, then madness occupies all three rings. Produced off-Broadway in 1995, "Death Defying Acts" is an evening of three one-act comedies all defying death, literally and figuratively. Circus is also more than just a metaphor in this case!

Directed by Jane Babbitt, the cast includes veteran actors Donn Tyler, Cindy Latham, Michele Kelley, and Ronan Babbitt as well as newcomers Pete Havel, Carl Lamoureux, and Ruth Olsen. Making her Marion Art Center debut is Jennifer Golarz, a recent graduate of Marymount Manhattan College with a major in acting. Jennifer has performed in numerous roles in plays and musicals in the New York area.

The show will run two weekends: November 12, 13, 18, 19 and 20. Curtain is at 8:00 pm. Reservations are now being accepted — please call 748-1266.

### Rochester Journal Submissions

Do you have stories to tell about growing up in Rochester or about an interesting Rochester person, place or thing? Do you have artwork or photographs you'd like to share? Do you have a poem you've written, or a memory that needs to be written down?

Many residents have purchased copies of the *Rochester Journal: Diary of a Hometown*, and read the unique stories and memories that a number of people shared with them. They are hoping to publish this volume in the spring, to coincide with the town's millennium celebration.

Please send your submissions as soon as you can. They will accept any time of material from adults, children, and young adults. They would particularly like to include more artwork and photographs, either of present-day Rochester or Rochester of yesteryear.

### Taizé Prayer in Marion

St. Gabriel's Episcopal Church in Marion, which brought the meditative worship of France's Taizé monastic community to the SouthCoast last year, has announced a new series of Taizé Prayer events for the 1999-2000 season. The half-hour services will be offered on the third Monday of each month at 5:30 pm.

Borrowing from a modern spiritual community in France, Taizé worship incorporates chant, silence, and beauty. It provides a refuge for those seeking faith, those wanting a grounding to see them through the stresses of life, and those who find themselves unmoved by formal religiosity. There are no sermons, announcements, or discussions — simply an environment inviting you to encounter God and yourself.

Taizé is a community of Christians from all denominations who seek global reconciliation. Formed in 1940 by a Protestant pastor named Brother Roger, the tiny French village of Taizé has evolved into a major pilgrimage site for young people and produced meditative music which is used the world over. Taizé worship is now offered monthly at Grace Church in New Bedford.

After the services at St. Gabriel's, participants will also have the opportunity to walk the Labyrinth, another form of meditative prayer. The Labyrinth, a winding path copied from a medieval pattern found the floor of Charles Cathedral, is open Monday evenings through Tuesday mornings in the St. Gabriel's Parish Hall. Persons of all faiths or none find taking this ancient symbolic journey to the center a unique way to meditate with their bodies.

Held in the chapel at the intersection of South and Front Streets in Marion, the Taizé Prayer events will run through May.

This program is a combined effort of the Department of Environmental Protection, the Massachusetts Department of Revenue, Massachusetts Housing Finance Agency (MHFA), and the Mattapoisett Board of Health.

These loans are available to homeowners at interest rates of 0 percent, 3 percent, and 5 percent, depending on income, for loans ranging in size from a minimum of \$1,000 to a maximum of \$25,000. # MOVIE REVIEW

## Fright Club

BY ROB GONSALVES

local@wanderer.com

■ **House on Haunted Hill.** Starring Geoffrey Rush, Famke Janssen, and Taye Diggs. Directed by William Malone. Running time: 90 minutes. MPAA rating: R. At Cinema 140 in New Bedford.

One of the many sins of last summer's oafish remake *The Haunting* — still my candidate for the year's worst movie — is that the memory of its awfulness may keep people away from this year's *other* remake of an old haunted-house film, *House on Haunted Hill*, which is actually pretty entertaining. This update of the 1958 camp-horror chestnut by William Castle jacks up the booty (the reward for surviving the night in the godforsaken house is now \$1,000,000, two zeroes more than in the original) and the shock effects. It's an unpretentious and cheerfully trashy night at the movies; horror fans could do worse, and lately they've had to.

Amusement-park entrepreneur Steven H. Price (Geoffrey Rush, whose character is named in honor of Vincent Price, who filled this role in the original) is planning a birthday party for his beautiful and hateful wife Evelyn (Famke Janssen), who wants to throw the bash inside a run-down house that used to be a mental institution. This hospital has an ornate backstory: It used to be run by the mad Dr. Vannacutt (Jeffrey Combs in a performance without dialogue, unfortunately for fans of *Re-Animator*), who was fond of performing cruel surgical experiments on the inmates until they rioted in 1931. A fire was set, the hospital's "lockdown" mechanism was triggered to keep anyone from escaping, and everyone burned to death inside. Great place to throw a birthday party 68 years later.

The people on Price's guest list are deleted and replaced mysteriously by seemingly random outsiders: former baseball player Eddie (Taye Diggs), production assistant Sara (Ali Larter), TV personality Melissa Marr (Bridgette Wilson), and stoic Dr. Blackburn (Peter Gallagher). Also along for the ride: the fearful Pritchett (Chris Kattan, doing a Jeff Goldblum imitation), who owns the house and is renting it to Price, and Price's assistant

Schechter (Max Perlich, cashing an easy check — all he does is push buttons and eat sandwiches). They, along with Price and Evelyn, are soon "locked down" in the house, which seems to turn on them with the vengefulness of the insane — or the dead.

This *House on Haunted Hill* feels a lot like a 90-minute episode of HBO's *Tales from the Crypt*, as well it should: The director, William Malone, helmed several episodes of the series, and the movie is the first production of Dark Castle, the new company formed by *Crypt* producers Robert Zemeckis and Joel Silver to put out medium-budget horror films. The movie doesn't skimp on the gore — at least two people are relieved of their heads — and there are some genuinely creepy bits, such as the opening inmate riot and the sequence when Price is locked into a sort of sensory-overload chamber that drives him temporarily mad.

True, the movie could have been fresher. About five scenes too many depend on characters wandering around in dark cobwebby places; I'm all for that, as long as it's not run into the ground. I expected a juicier performance from Geoffrey Rush, who doesn't camp it up as much as you'd think he'd want to (he was more fun in *Mystery Men*). And it's hard to defend a film that wastes oddball talents like Combs, Perlich, singer Lisa Loeb and *Buffy* vampire James Marsters (Spike) in eyeblink roles. Overall, though, *House on Haunted Hill* keeps the scares and laughs coming (Chris Kattan provides most of the laughs). It's a cheesy throwaway horror flick, but it's a *tight* cheesy throwaway horror flick. You won't be sorry you saw it — even if, two days later, you also won't remember you saw it.

Following is a schedule of upcoming fall after-school programs sponsored by the Marion Natural History Museum. All programs are slated to run from 3:30 to 4:30 pm:

- Tuesday, November 16 - "Pilgrims Beyond Plimoth Plantation," given by a costumed speaker from the Plimoth Plantation staff. Ever wonder what life was like for pilgrims? Come find out during this entertaining program. Cost is \$4 for members, \$5 for non-members.
- Coming in December - Annual Holiday Celebration featuring storytelling, crafts and refreshments. Date to be announced.

The Marion Natural History Museum has been offering after-school programs for several years. They've offered children's programs on topics such as birding, bugs, fishing, trees, astronomy, snakes and reptiles, beekeeping, amateur archaeology, and many others. The museum believes that this is an important resource to the community and its children.

Would you like to become involved? Are you retired? At home with children? They are looking for people who can spare one hour (3:30 to 4:30 pm) on a school day to share their talent. A small stipend is available upon request. Please call Elizabeth at 748-2098 or 758-9089 for further information.

## This Week's Horoscope

by Linda Black

**Aries (March 21-April 19).** Count your winnings and figure out which games to play next. Pack a lunch because you won't have time to go out.

**Taurus (April 20-May 20).** Settle into a good partnership. Talk until you agree with each other. Figure out how much to pay. Get most of your letters out.

**Gemini (May 21-June 21).** Take good care of other people, and they'll do the same for you. Learn as fast as possible. Clean house. Schedule your date and expect complications with travel and communications.

**Cancer (June 22-July 22).** You're in a fun phase. There's not enough money, but there's plenty of love. Don't worry. You'll think of a solution to your dilemma soon.

**Leo (July 23-Aug. 22).** Home and family are your dominant themes. Arguments prevail, however. Get it talked out so you can focus on financial issues.

**Virgo (Aug. 23-Sept. 22).** Do the tough job without arguing. Start new projects, such as developing a new friendship. Ask for the money.

**Libra (Sept. 23-Oct. 23).** Learn how to wheel and deal from your friends. Don't do exactly what they say; use your own judgment. Get the details right.

**Scorpio (Oct. 24-Nov. 21).** You're in charge. Don't let a bump in the road slow you down. Rely on your friends. You're pressured to perform, so why not?

**Sagittarius (Nov. 22-Dec. 21).** Your hopes, dreams and fears are activated. Travel may have to be postponed. The check may get lost in the mail, too. Get your details right.

**Capricorn (Dec. 22-Jan. 19).** Your friends are your bane and your bounty. Figure out where you'll get the money so you can have fun.

**Aquarius (Jan. 20-Feb. 18).** This year you could be successful if you apply yourself. Practice. You may find a hidden treasure. It's easier for you to get what you want now.

**Pisces (Feb. 19-March 20).** You'll learn interesting things. There's more to be done than possible. A partner helps you get organized.

**If You're Having a Birthday This Week:** You may want to resist authority, but you'd be smarter to learn from it. Let your friends lead the way to success — and to fun.

everyone who has sung with the chorus in past years will be welcomed back.

Peter West, Director of the chorus, requests that both returning members and new members who, for good reason, cannot make the first rehearsal call him (758-4553) or Chorus President, Anne Harris (748-1866), to let them know they intend to sing this year.

The Choral Society's 35th annual Christmas Concert will be on Sunday, December 5, and will feature as its main selection Mozart's Coronation Mass (K. 317). Mozart composed this magnificent piece of music 220 years ago this year in 1779 at the age of 23. The chorus first performed the mass 20 years ago at Christmas on the 200th anniversary of its composition.

Special Christmas music will follow an orchestral interlude, and includes "Glory to God" and "There Were Shepherds" from Handel's *The Messiah*, "This Little Babe" by Benjamin Britten from his *Ceremony of Carols*, part III of Pinkham's *Christmas Cantata*, and conclude with "A Musicological Journey Through the Twelve Days of

SHERMAN'S LAGOON  
by J.P. Toomey

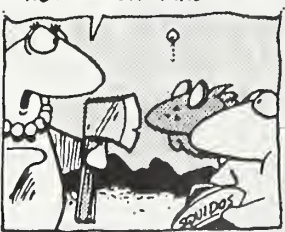

SHERM, I WAS JUST LURKING IN AN INTERNET CHAT ROOM AND I DISCOVERED A PLOT TO KILL YOU.

AND IT'S SOMEBODY CLOSE TO YOU. KEEP YOUR EYE OUT FOR UNUSUAL BEHAVIOR.

SEE THIS AXE, DARLING? IF YOU LEAVE THE TOILET SEAT UP ONE MORE TIME I'M GOING TO CHOP YOU INTO PATÉ. BETTER MAKE A WILL.

I THINK WE HAVE OUR SUSPECT.

SHE DOES THAT EVERY MORNING.

### Child Care Financial Aid

If it seems like most of the money that you earn as a working parent is going right back out again to pay for preschool or child care, Community Partnerships for Children may be able to offer some help. Through a grant program from the Massachusetts Department of Education, working families are offered subsidies based on a sliding scale. The Early Childhood Office for the Old Rochester Regional School District manages this program for residents of Marion, Mattapoisett, and Rochester who earn a state median income or less (\$54,000 for a family of four).

Several local preschools, child care centers, and family child care providers are a part of Old Rochester's partnership. Families may also choose a child care provider outside the tri-town area if it meets the criteria established by the Community Partnerships grant. Funds are currently available and are awarded on a first-come, first-served basis. For more information, please call the Early Childhood Office at 748-1863.
